"Our People Make The Difference." That is the motto Corporate Job Bank Personnel Services has stood behind since 1985. The dedication and commitment of our internal staff and the quality of our contractors is what clearly sets us apart from other staffing companies. Corporate Job Bank has a unique relationship with all of its clients and contractors, and because of that unique relationship we have been voted the No. 1 employment agency in Arizona for five straight years. We believe in hard work and conduct our business with professional ethics and integrity. Locally owned and managed, the company is sensitive to the local business climate and continues to be supportive of many local charities and fund raising events. The core of the company's business foundation continues to be its commitment to "doing the right thing." Corporate Job Bank Personnel's core competencies are mortgage and banking, accounting and finance, call centers, office and clerical staff, municipalities, IT, distribution and warehousing. Corporate Job Bank staffs for "Direct Hire" career opportunities, "Temp-to-Hire" opportunities and "Temporary" assignments.
